*Vietnam Veterans Memorial Replica Wall and Mobile Education Center

“Lest We Forget” means remembrance of those who have sacrificed their lives for our Country. Those words are the strong reminder to honor and remember the sacrifices made by our Vietnam Veterans, ensuring that they are Not Overlooked and Never Forgotten over time.

Debi Robinson Chairman of “The Wall That Heals” Yarmouth- 2026

YARMOUTH, MA – *The Wall That Heals*, a three-quarter scale replica of the Vietnam Veterans Memorial along with a mobile Education Center, is coming to YARMOUTH, MA ON SEPTEMBER 15TH – 20TH 2026 to Parkers River Landing, 669 Route 28, Yarmouth, MA 02664 and will be open 24 hours a day and free to the public. *The Wall That Heals* honors the more than three million Americans who served in the U.S. Armed forces in the Vietnam War, and it bears the names of the 58,281 men and women who made the ultimate sacrifice in Vietnam.

The Cape & Islands Veterans Outreach Center is proud to collaborate with Debi Robinson, a local Cape Cod resident and Chairperson, to bring *The Wall That Heals* to its only Massachusetts location in 2026. This traveling replica of the Vietnam Veterans Memorial offers a profound opportunity for healing and reflection, especially for veterans who may not have the means or ability to visit the permanent memorial in Washington, D.C. By bringing this powerful tribute to the Cape, the event ensures that those who served—and their families—can honor fallen comrades, share their stories, and find comfort among a supportive community close to home.

“The Vietnam Veterans Memorial Fund is pleased to bring *The Wall That Heals* mobile exhibit to Yarmouth, MA to allow local veterans and their family members a chance to experience The Wall,” said Jim Knotts, president and CEO of VVMF. “Hosting *The Wall That Heals* provides an opportunity to honor and remember all those who served and sacrificed in the Vietnam War and educate visitors on the continuing impact of the Vietnam War on America.”

The Wall That Heals is transported from community to community in a 53-foot trailer. When parked, the trailer opens with exhibits built into its sides, allowing it to serve as a mobile Education Center telling the story of the Vietnam War, the establishment of The Wall and how the Memorial and Vietnam transformed the way our nation treats its veterans and service members.

The three-quarter scale Wall replica is 375 feet in length and stands 7.5 feet high at its tallest point. Visitors will experience The Wall rising above them as they walk towards the apex, a key feature of the design of The Wall in D.C. Visitors are able to do name rubbings of individual service member's names on The Wall.

The mobile Education Center exhibit includes two digital photo displays. The *Hometown Heroes* display highlights service members whose names are on The Wall that list their home of record within the area of a visit. The *In Memory* display highlights Vietnam veterans from the local area honored through VVMF's *In Memory* program which honors veterans who returned home from Vietnam and later died. Additional displays include videos that teach about the history and impact of The Wall; educational exhibits told through items representative of those left at The Wall in D.C.; a replica of the *In Memory* plaque; a map of Vietnam and a timeline of the Vietnam War. The exhibits tell the story of the Vietnam War, The Wall and the era surrounding the conflict, and are designed to put American experiences in Vietnam in a historical and cultural context.

USAA has returned as presenting sponsor for the 12th year. Over the past decade, they have traveled to more than 300 communities with VVMF. Wipfli is returning for the second year as a sponsor. Headquartered in Milwaukee, Wipfli is an advisory and accounting firm with more than 3,300 associates who deliver digital, people, strategy, risk, financial and outsourcing solutions to nearly 56,000 clients.

Through a partnership with the Truckload Carriers Association (TCA), the trucking industry, and Blue Beacon, the exhibit is able to travel across the country. Since its debut in 1996, the exhibit has been on display in more than 800 U.S. communities including an April 1999 tour of the Four Provinces of Ireland and a visit to Canada in 2005. *The Wall That Heals* is a program of VVMF, the nonprofit organization that built the Vietnam Veterans Memorial in Washington, D.C. in 1982. *The Wall That Heals* is the only traveling exhibit affiliated with The Wall in Washington, D.C. and includes the largest Wall replica that travels the country. Two VVMF staff members lead volunteers on site, educate visitors and students, and ensure the reflective atmosphere of The Wall. More information can be found at: www.thewallthatheals.org.
